THE DEAL: Expressions of Interest

THE DEALSkip the hassle of construction and unlock the door to savour a lifestyle of unrivalled modern ease right here in the heart of Victoria Park. Single-level and incredibly stylish, this newly-constructed home is the ideal entry into a sought-after neighbourhood, where excellent schools, parks, public transport and a game of footy are all on your doorstep. Tucked away on a private battleaxe block, the modern appeal of this on-trend home expands through the keyless front door to an expansive layout, where a formal lounge provides lifestyle flexibility for those working from home or a quiet place to relax in front of a classic film. Entertainers will love the indoor-outdoor flow, connecting the open-plan living/dining/kitchen domain to the undercover alfresco and easy-to-maintain rear gardens, where lawns will entice the kids and pets to play whilst you kick back by the BBQ. Sleek all-white stone benchtops and high-end appliances provide the functionality families crave, and home cooks desire, with a large island bench practically calling out for guests to pull up a chair and join in the fun. Retreat to the main bedroom with a walk-in robe and love the lavish freestanding bath in the ensuite, headlining two additional robed bedrooms and a central bathroom. With a powder room, laundry, double garage, and ducted heating/cooling throughout - there's no boxes left to tick! SEALS THE DEALThink of it like this - trendy vibes, no need to deal with stairs, and right where you want to be on the city's edge.
