## **ORIGINAL RETRO FIBRO HOME**

This house was originally built in the 1950's, a single bedroom fibro home, set on concrete stumps, with all original features throughout giving a retro and unchanged look. Offering simply the basics, experience the simple pleasures of a relaxed holiday atmosphere where you played board games and card games at night, with lino floors, small brick fireplace in the kitchen and the laundry and toilet are a separate room at the rear. The house itself, although original, is in very good order. Very solid with concrete stumps. A highlight of this property is the large allotment of approx.1000m<sup>2</sup> of land, with established trees and well fenced, the area offers so much space for a growing family and is basically a blank canvas to transform into your dream property. This property is all within walking distance to two primary schools, IGA supermarket, specialty shops, the train station, Primary Health Medical Clinic and walking tracks along the beautiful Campaspe River. Call Luke Ryan on 0438 841 127 to arrange an inspection.
