MODERN LIVING AT ITS FINEST

It's with great excitement that First National JXRE presents this exceptional, contemporary home. Offering the latest in modern family living, this nearly new double-storey residence combines style and function, designed for seamless indoor-outdoor living.

Elegant floorboards welcome you into the home, flowing into an open-plan living and dining area that effortlessly connects to the sleek, modern kitchen, complete with stone benchtops and premium stainless steel appliances. Perfect for entertaining, sliding doors lead to a beautiful deck and courtyard.

With a versatile layout ideal for various family needs, this home features five generously sized bedrooms, all with built-in wardrobes. The ground floor includes a master suite with a walk-in wardrobe and en-suite, while the upper level boasts two additional master bedrooms, each with their own en-suite and built-in robes.

Further enhancing this home's appeal are features such as a family bathroom, ground floor powder room, Euro laundry, split system heating and cooling, double glazed windows, floor-to-ceiling tiled bathrooms, and a single garage with internal access.

Situated in a prime location, you're just a short walk from Clayton Road shops, childcare facilities, Clarinda Primary, South Oakleigh Secondary, and Clayton Train Station, with Monash Medical Centre and Monash University nearby for added convenience.

New Suburban Rail Loop (SRL) is under construction, aiming to alleviate congestion and provide a reliable alternative to road travel. This project will introduce modern, high-frequency train services linking Clayton with neighboring suburbs and key urban centres.
