\$621,000

This house is yet to be built and please note this package is not available to investors. Contact us today to design and build your dream home. THE MORTON 217The Morton 217 boasts a clever family friendly layout that makes this the ideal home. All bedrooms feature built-in-robos, where the master suite contains a walk-in-robos and a spacious ensuite. The rear of the home is where the large kitchen, dining and living area can be found complete with a spacious alfresco. The lounge room is versatile and can be used as a rumpus or home theatre to suit your family.*Steel frame and truss rolled in our own factory.*In house drafting design service available.*Complimentary interior design consultation before signing.*Flexible floorplans, customise to suit your requirements - no charge.Flagstone is a place that grows with you. A place where you can really live and work with a sense of balance and everyday well-being. A place that brings our vision of a future city to life, together with the conveniences of an established community. Welcome to forward living.*The floor plans and designs shown here are for indicative and inspirational purposes only. They may not be to scale. No allowance has been made for site location and site requirements including site dimensions, services location, local government requirements and residential estate covenants. All features and finishes, including colour schemes and materials, are subject to availability and final agreement. It is the intention that customers will follow our construction consultation procedure during which a design will be assessed and finalised. All contractual terms will supersede any dimensions, features, finishes, and all other aspects of our advertised indicative designs. We reserve the right to modify our plans, specifications, and materials and discontinue any design without notice.
