Colonial Charm Meets Contemporary Elegance

Welcome to the epitome of island living! Nestled on Russell Island, this extraordinary property offers a lifestyle of grandeur and tranquility. Situated on a sprawling 1389m² parcel of land, this residence boasts a meticulously manicured yard adorned with native and fruit trees, greenhouses, and ample space for outdoor activities.

As you approach, a concrete driveway leads to a double carport capable of accommodating up to four cars or even a fishing boat or nomad's caravan. The fenced property ensures privacy and security while creating a picturesque setting that harmoniously blends with the surrounding natural beauty.

The exterior charm is just a prelude to the stunning water views that greet you upon entering the front deck. Imagine spending delightful evenings hosting BBQs, entertaining guests, or simply unwinding with a book and a refreshing drink, all while relishing the breathtaking vistas.

Step inside, and the elegance of the colonial style unfolds. Solid timber flooring gracefully flows through the home, creating a warm and inviting ambiance. The master bedroom and second bedroom are carpeted for added comfort, offering a peaceful retreat within.

The bathrooms are a testament to sophistication, featuring tasteful tiles, ample space, and abundant natural light. The third room, also suitable as a study, impresses with its size and functionality, boasting timber-style flooring and a generous four-door robe.

Climate control is a breeze with air conditioning in the master bedroom and the second bedroom, complemented by fans throughout the entire home. The expansive kitchen is a chef's delight, offering generous stone bench space, high-end appliances, and a stylish tapware ensemble. Abundant storage is a hallmark of this residence, with ample cupboards, a walk-through pantry, and a laundry area.

This property is not just a residence; it's a statement. Solar power is seamlessly integrated, providing an eco-friendly and cost-effective energy solution. A well-equipped storage area with full workbenches and built-in shelving caters to your organizational needs.

The listing agents were so captivated by the property that they hesitated to leave. Now, it's your turn to experience the allure of this remarkable home. Call today to schedule an inspection and make this unparalleled property your new island haven.
