Situated on a 655m² fully fenced block a short stroll from the Rockhampton Base Hospital, this renovated gem offers a walk in ready opportunity! Complemented by a fresh neutral colour scheme and warm polished timber floors, the home boasts three generous size bedrooms with ceiling fans, master with air conditioning and ample amounts of natural light. An open plan kitchen & dining living space open directly to the rear timber deck that provides views to the west and spectacular afternoon sunsets! Fully concreted underneath, this area is a true blank canvas providing car accommodation, storage space and the foundations for any space you may wish to create. All the hard work has been taken care of with fresh exterior paint, brand new roof and solar system. To secure your inspection, contact our team today!
