Enchanting Queenslander, Elevated with City Glimpses

Auction Location: Onsite

There's no place like home, and there's no place else you'd rather be than right here. Completely charming, everything about this split-level Queenslander will make you smile. It's the city glimpses from the alfresco entertaining deck (complete with a built-in BBQ), the soaring ceilings that exude grandeur, and it's the enchantment of the two courtyards, cocooned within a glorious garden canopy.

Character also continues across the light-filled living and dining zone. The updated kitchen caters to modern-day needs with a Falcon cooker, great for cooking for a crowd, whether everyday or for special events. Space is at a premium too with a family room downstairs – ready to serve up your favourite cocktail from the bar – plus growing families will appreciate access to four bedrooms with built-in robes and two bathrooms, spread evenly across the two levels.

Amazing breezes flow through and keep you naturally cool, and a 10kW solar system for cost-effective and sustainable living. Parking for two cars off-street is provided, plus, with a fresh coat of paint internally and the floors newly sanded and polished, it's move-in-ready!

Situated footsteps from the best West End restaurants, bars, breweries and cool cafes, it's easy to access the culture of South Bank and you'll benefit from being in the catchment zone for coveted Brisbane State High School and West End State School. Parks, shopping precincts and public transport are plentiful too and you can be in the CBD in no time. All that is missing is you!
