This rare opportunity to renovate an original four bedroom Victorian style home offers flexibility to further subdivide subject to council approval. Approximately 858 square metres gives you ample room to work with for an extension, additional garaging to suit or even a pool for the family to enjoy. Otherwise consider a two lot subdivision. The house requires a full renovation giving you a blank canvass to work with and complete it exactly to suit the needs required. The Victorian style offers expansive hallway, large rooms and high ceilings. Situated in a popular area close to schools, shops, recreation, university and with close access to Bendigo.
