This grand 4-bedroom, 2-bathroom home is the epitome of comfort and style. Positioned on an expansive 830 sqm block at the end of a cul-de-sac, the property offers an elevated stance with breathtaking city views, making it a rare find in today's market.

As you step through the front door, you are immediately greeted by tall ceilings that amplify the sense of space, complemented by charming wood and brick features that retain the home's unique character and history. This is truly a family haven, designed with multiple living and dining areas that cater perfectly to both large and growing families.

The main level is dedicated to living and entertaining, offering seamless flow between spaces, ideal for hosting gatherings or enjoying quiet family time. Ascend the expansive stairs to discover the top floor, where four generously sized bedrooms await. This thoughtful layout ensures a wonderful separation between the living and sleeping quarters, providing privacy and tranquility.

The backyard is a blank canvas, ready to be transformed by a creative mind. With ample space for outdoor entertaining and side access, it presents endless possibilities for customization. Each bedroom is equipped with fans and individual air conditioning units, with large windows that flood the rooms with natural light, creating a bright and airy atmosphere.
