\$395,000 - \$425,000

Tailem Bend is moving forward with various improvements and the exciting new motor sport park is up and running, now is the perfect time to invest in this 1991 built brick veneer home. The home is beautifully maintained inside and out offering three bedrooms, built-ins to the main, one bathroom with large shower and disabled railing, open plan kitchen / dining and family area with a split system air conditioner looking after the heating and cooling all year round. Built onto the home is a convenient double carport. This corner allotment has been used to its full potential with a large double garage including two roller doors positioned on the side road that could easily be used for storage without disturbing a tenant. Due to the size of this allotment, there is room to extend the shed. If you would like a private inspection, please contact Nathan On 85326666.
