Welcome to this exquisite McMaster-built residence, a true testament to superior craftsmanship and meticulous attention to detail. From the moment you step inside, you're greeted by the elegance of VJay cladding and the charming large barn door, providing access to the versatile third bedroom or study. The heart of the home, the kitchen, meals, and living area, exemplifies convenience and quality with its thoughtful floorplan and high-end finishes. The master bedroom radiates warmth and sophistication, featuring stunning feature lighting, a spacious walk-in robe, and a beautifully appointed ensuite. The kitchen is equipped with top-of-the-line ASKO dishwasher and AEG induction cooktop, oven, and exhaust fan, ensuring a culinary experience of the highest standard. Comfort is paramount, with refrigerated cooling, central heating, and a powerful 12.6KW solar system contributing to the home's efficiency. Double-glazed windows and a fully insulated double lock-up garage provide both comfort and security. Outside, the meticulously designed gardens, crafted by Tracey Fraser, offer a serene and tranquil escape, enhancing the home's already impressive appeal. This home is a rare find, blending luxury, practicality, and aesthetic beauty seamlessly.
