Nestled on a spacious 1409sqm allotment with stunning views of the hills and valleys, this property boasts an array of impressive features and amenities. As you enter, you are welcomed by a wide hallway with stylish tiled flooring and 9ft ceilings, creating an immediate sense of elegance and space. The hallway leads you past the theatre room, which can also serve as a home office or potential fifth bedroom. The master suite is a luxurious retreat, featuring a walk-in robe, an ensuite with a 'his and hers' vanity, and a sliding door that opens to a serene, private courtyard. Up a split level, you'll discover the heart of the home: an open-plan kitchen, family living, and dining area. The spacious kitchen is a chef's dream, boasting a walk-in pantry, abundant cupboard and bench space, a 5-meter-long breakfast bar, premium appliances including a 900mm oven and dishwasher, and a picturesque outlook through the window. Bedrooms two, three, and four are situated along a separate hallway off the main living area, each featuring ceiling fans and built-in robes. These bedrooms are conveniently close to the three-way main bathroom, which includes a separate toilet and vanity, making it perfect for guests. This home boasts ample storage options, featuring two storerooms at the entrance and a built-in cupboard in the spacious laundry room. The open-plan living area extends seamlessly through double glass sliding doors to an outdoor paved entertaining area, offering picturesque views of the scenic hills of Sheidow Park. The outdoor space includes a generous lawn area and, on a split level, a second expansive entertaining area covered by a pitched roof pergola. Adjacent to this area is a rumpus room complete with an additional third toilet. A significant bonus of this property is the drive-through access from secure gates at the front, leading to a side-by-side large shed with a roller door and 3 phase power, and carport with extra height, perfect for storing a caravan or boat. Additional features include a double garage with electric roller doors and direct internal access to the home, two solar systems, ducted reverse cycle heating and cooling, gas instantaneous hot water, a security system, a tool shed, and a rainwater tank plumbed to the toilet. Located in close proximity to Main South Road for easy access to the CBD and only a quick five-minute drive to the beautiful Southern Coastline and the fantastic Hallett Cove Shopping Centre, this property combines space, luxury, and exceptional entertainment options. With its commanding presence and breathtaking panoramic views stretching across the rolling hills and valleys, this home is an ode to opulence and a truly exceptional find in Sheidow Park.
