BEST FOR VALUE

This property, recognized as "Best for Value," is a standout choice for viewing. Built in 1991 with durable brick veneer and iron, it offers a fantastic foundation. The home features four bedrooms and a well-appointed bathroom, ideal for a growing family. Situated on a generous 905 square meter fully fenced block, it provides plenty of space for children to play freely.

The open-plan design seamlessly integrates the living, kitchen, and dining areas. It boasts air conditioning, a raked ceiling, and a ceiling fan for added comfort. A sliding door opens to an enclosed patio/verandah that connects to a charming side garden.

Eco-friendly features include solar electric panels, a solar hot water system, and a rainwater tank that supplies refreshing rainwater. Additionally, the property offers ample side access to a large powered shed and a garden shed, with a convenient single carport adjoining the house.

For exceptional value, don't hesitate to contact Graham.
