YOU WON'T BELIEVE.....

this is currently rented and you won't believe how well presented it is, the photos do not lie!! So, if you are an investor this is a dream come true and if you are looking to owner occupy you won't find a better presented home to live in! Fantastic long term tenants would love to stay so be sure to get a look as soon as you can.

The generous 632 sqm land size means there's a safe back yard for kids, room for a pool or workshop plus drive thru access from the carport. All these amazing features tucked into a a great cul de sac location.

Viewing is by appt only so get in touch today before its too late
