A spectacular resort-style home with lagoon pool and detached home office/studio, set against a backdrop of tall palm trees and panoramic views across Port Phillip Bay. Literally footsteps to the beach and Kunyung Primary School and only 2 kilometres to the village, this prized locale is ideal for family living. Beyond an oasis-like pool area flanked by merbau decking and palm trees, the meticulously presented home impresses at every turn with spacious living areas on both levels and water views from almost every window. A large marble kitchen with stainless-steel dishdrawers, Ilve oven and chic black glass splashback will delight entertainers, while an expansive upper alfresco deck provides a glorious space to dine outdoors backdropped by the passing ships and Melbourne city skyline. Fitted with a built-in bar and tall sliders to the lower deck and pool, the rumpus room is an entertainer's paradise in this family dream home, which includes bathrooms on both levels, ducted heating, evaporative cooling, split-system, gas log fireplace, sub-level workshop/wine cellar, oversized double garage with drive-through access and a cornucopia of fruit trees in the fully fenced garden. ****To Inspect****Please refer to the listed inspection times.
