14 William Street, Murwillumbah, NSW, 2484

Bedrooms: 2

Bathrooms: 1

Parkings: 1

Type: House

Sneak preview - Large flood free residential block close to town

This 2 bedroom post war cottage is situated on a big 1619m² block of land that is mostly flat and importantly is out of flood.

The cottage needs some updating & renovating but is quite liveable as it is. If a good plot of land is high on your list of must haves whilst being close to town, schools, sports grounds etc this property should be on your list.

With room for a pool or even a second dwelling (subject to council approval) or add on to the existing home and create a larger family home. There are many possibilities.

The block may also suit developers looking for a bigger project.

The property is still being prepared for sale and there will be more photos internally and externally plus a floor plan at a later date but if you would like an early inspection and get ahead of the crowd before it is marketed more broadly online please contact the agent and register your interest.
