This functional and practical design is the Jersey. Perfectly designed to suit 12.5m wide blocks, this design has it all! The Jersey is a little bit of business out the front, and party out the back with a spacious living/dining/kitchen opening out to the alfresco area. Like we said, perfect for parties, entertaining or watching the big game. With 3 minor bedrooms, central bathroom, home theatre and plenty of storage, the Jersey is ideal for many different living arrangements. Enjoy the spacious main bedroom with walk-in robe and large shower. Sound good? We'll take one thanks! *Easystart Homes, a part of Summit Homes Group, is a family-owned builder in WA for 45+ years. 2-time WA Project Builder of the Year (2021 and 2022) by Master Builder Housing Excellence Awards and 3-time WA Professional Major Builder by the Housing Industry Association (2022, 2021 and 2020).
