Endearing Post-War Beauty, Rich with Timeless Charm

Step back in time with an elevated Post-War home endearingly infused with tradition and charm. Here, gleaming hardwood timber floors flow underfoot, and decorative cornices adorn the high ceilings, while the interiors bask in beautiful sunshine and cool breezes, cascading in via the rows of original casement windows.

Meticulously maintained and freshly painted inside and out, a kitchen with a gas cooktop and ample storage serves as the heart of the home, linking with a spacious living and dining zone. A bay window here adds another layer of vintage character, echoed again in the master suite. One of three generously sized bedrooms, it's an oversized and sunny haven for rest and relaxation, complemented by a walk-in robe and ensuite. There's also a second bathroom serving the home, with other features including abundant storage plus an enviable amount of space outdoors. Manicured lawns fringe the front and rear of this fully fenced 545m² block, creating a delightful play area for children and pets, accompanied by garden beds where you can flex your green thumb to bring them to life.

Backed by an unbeatable location, make the most of being a short stroll from multiple parks including the scenic Brisbane Corso, as well as walking distance from Fairfield Gardens Shopping Centre and public transport. You can even cross the bridge to the University of Queensland. Schooling options are also plentiful, with zoning in place for Brisbane South State Secondary College and Junction Park State School. And when the city calls, the CBD is under 7km away.

Truly, this home will steal your heart and inspire a lifetime of cherished moments. Don't delay, inspect today!
