Contemporary Luxury In A Lifestyle Location

With its striking street presence and address adjacent to the open spaces of Hazel Glen Reserve, footsteps to the bus for an easy trip to the station, and a 200m stroll to Laurimar Town Centre, this spacious sanctuary delivers a lifestyle of unparalleled comfort and convenience.

Spanning across two substantial levels, ground floor spaces include a study, ideal for those working from home, a large lounge and a generous open plan living. Finished with floating floors, it introduces a stone-finished stainless steel appointed kitchen with a fitted walk-in pantry. All combining brilliantly to please the resident chef.

A wall of sliding glass glides back to allow a seamless exit to a covered, north-facing alfresco area in an easy-care rear yard.

Head upstairs to discover an expansive retreat/rumpus. Opening to a balcony, it provides access to a generously proportioned main bedroom with a stone ensuite and walk-in robe and three further bedrooms, all served by the stone-finished family bathroom.

The long list of inclusions starts with ducted refrigerated climate control, carpet to the bedrooms, double glazing, remote double garage with internal access and laundry with storage
