A Diamond in the Rough!

This property is perfect for those looking to roll up their sleeves and put their own personal touch on a new project. While this house may need some TLC, it is still perfectly livable in its current state with only minor issues that can easily be addressed. Situated on over half an acre of land, this spacious home features three bedrooms plus a study, a large lounge area, separate dining room, solar panels for energy efficiency, garden sheds for extra storage space, and a garage for parking convenience. The possibilities are endless with this property - just imagine all the potential waiting to be unlocked!
