Holding a prized position so close to South Beach you can smell the fresh seaside air, this superbly located property offers an incredible lifestyle. Set behind a high front fence on a 781sqm* block with a wide north facing aspect, the whole side of the residence takes advantage of prime orientation with bifold doors that open out to an entertainers paradise with expansive sun decks, a private swimming pool and barbecue area to make the most of the natural light on offer. The interior provides calming and relaxing spaces brilliantly designed for family living and stay over guests with three zoned bedrooms separate to the upstairs master wing with aspects onto the sun-drenched paved terrace and swimming pool. With a double remote garage with rear roller door and off street parking for 6 vehicles, there is plenty of space for a boat/caravan and guest parking. This one of a kind home is in a private and central location close to South Beach, Mt Martha Primary School, Village shops, cafes, and restaurants of Mt Martha township, and within walking distance to the popular South Beach Project - escape for the weekend or permanently.
