Timeless charm and landscaped garden surrounds create a serene first impression for this blonde brick Art Deco oasis, occupying a prime position in the heart of popular Northcote. Set on a decent allotment, large proportions, high decorative ceilings and modern comforts deliver immediate enjoyment, whilst also offering scope to extend, renovate or redevelop (STCA). The spacious floor plan is zoned for family enjoyment and introduces a living and formal dining room before stepping into an open plan kitchen and meals area. The immaculate timber kitchen showcases fantastic storage and stainless-steel appliances. Sleeping arrangements include four bedrooms serviced by a family bathroom and large laundry. The grassy rear yard includes provisions for vegetable gardens, storage sheds and garage. Added highlights also include heating, cooling, external window blinds, fireplace, off-street parking and a blue-chip location, near to Northcote Plaza, parklands, Northcote Aquatic Centre, High Street Shopping/dining, schools and public transport.
