## **\$650 per week**

This lovely property is freshly finished and ready for its new occupants. Only been lived in for 6 months, this property features 4 bedrooms all with robes, 2 bathrooms, a double secure garage and easy care front yard. The kitchen and scullery join onto the laundry and all are top notch. The rear yard has not yet been completed and is still in its original sandy state but there are plans in the future to have this completed, however, until then the rent has been reduced to \$650 as a result. Best thing about that is you don't need to water, mow or fertilize the back yard. Viewings are by appointment with Lisa at Vintage Realty - simply call 0409100803 or send through your email enquiry. The yard really isn't suitable for dogs as it's completely sand but I'll leave that up to each tenant's choice.
