Fresh, Stylish & Low Maintenance

This delightful three-bedroom home in Sussex Inlet has been thoughtfully refreshed and is ready for you to enjoy. With new flooring, fresh paint throughout, and a recently updated kitchen, this property offers low maintenance living in a relaxed coastal town.

The open plan living and dining area features large windows, filling the space with natural light while the split-system air conditioning will provide year-round comfort. The main bedroom is generously sized, and while the bathroom is mostly original, it remains neat and tidy.

Outside, you'll find the laundry with second toilet, side access to a single garage and studio, perfect for extra storage or a creative space. The fully fenced yard provides privacy and is beautifully landscaped with established gardens.

Located just 500m to the waterways and a pleasant walk along the water into the heart of town, this home offers a low-maintenance lifestyle, ideal for downsizers or holiday makers seeking an easy-care weekender.
