This house sits right back off the street for added privacy and is a rare find on a large block of over half an acre. In the four-bedroom large family home, all rooms are perfect in size and all have walk-in wardrobes, the ensuite boasts an ensuite with shower and bath. There are plenty of living spaces for the family to spread out, with a formal lounge at the front of the house, formal dining, a large open plan kitchen, and living space with butler's pantry gas and electric cooking. Other features include wood-fueled heating, split system heating, cooling, raised ceilings, and a dishwasher. Externally there is a massive 6X9 shed with a roller door, there are established garden beds full of fruit and veggies. There is plenty more that makes this rental a rare find. **** APPLICATION REQUIRED BEFORE INSPECTION
