With three good-sized bedrooms and a spacious house with a multi-purpose room or 4th bedroom. It's a renovated house with floorboards throughout and 4 car garage plus another 2 sheds, plenty storage space. Master bedroom with an en-suite and walk-in robes, while the other two bedrooms with build in robes. Be impressed the moment you walk in with wooden floorboards, heating, ducted cooling, renovated kitchen. Big shed, water tank, easy maintenance garden. Within walking distance of all the amenities, this is perfect for your family! Look out for inspection times as this property can not be missed.
