Elevated and immaculate, this freestanding home has found its groove in a highly convenient, tightly held locale. Finally available after three decades in one family, it's on a great sized block within easy reach of countless amenities. High ceilings with decorative details, an ornamental fireplace and polished floorboards show plenty of character, and there's room to easily add personal touches to suit your style. Along with a living room, kitchen/dining and study, you'll love the big backyard, evoking the great Aussie dream from decades past. Bedrooms offer wide built-in robes, the study or home office is a very handy size, and the gleaming updated bathroom notably hosts a frameless glass walk-in shower. Top extras incorporate heating, cooling, a garden shed, covered outdoor area and abundant off street parking, including a long side driveway, separate front parking spot, carport and garage. A stroll to trams, tempting Keilor Road and North Essendon Village cafes/shops, DFO and parks, it's mere moments to Essendon North Primary and similarly zoned to Buckley Park College. Near other top schools, including St Therese's Primary and St Columba's College, it's just a short drive to freeway and CityLink access, ensuring everything you could want is within easy reach.
