The ground level features a renovated contemporary kitchen that overlooks the garden, with premium Bosch appliances. The adjoining living area is spacious and boasts a split system, and fresh floorboards ensuring year-round comfort. Additionally, there are two generously-sized bedrooms, a well-appointed laundry and bathroom. Ascend the stairs to find a versatile space that can be used as a bedroom or office, including a balcony with glimpses of the bay. Other features include an undercover carport with roller door access, perfect for a car, boat or caravan.
