Nestled in a quiet location this beautiful family home is something special and offers all the comforts of today's modern living whilst enjoying the ambiance of nature's wonderland. The home features a sun-drenched combined lounge and dining room with floor-to-ceiling windows and a spacious modern kitchen with timber benchtops and modern appliances. Located on the upper level two of the three bedrooms are double sized, with the master bedroom also offering an ensuite bathroom. The lower level offers flexibility for potential in-law accommodation or teenager's retreat and features a separate rumpus/family room with another bedroom, study nook and wet bar. Access to the inground pool, BBQ/entertaining area and backyard is via the rear stairway or the downstairs rumpus/family room. Covered parking for two cars. The pool is maintained on a regular basis. We do ask that you pay for chemicals that are used and that the pool deck area and pool be cleaned during the break period between each visit by the pool company. The Berowra Village Shops, restaurants and tavern are 1.6km away. Local schools included Wideview Public School, Berowra Public School, St Bernard's Catholic School and Berowra Christian School. Pre Schools include Turner Road Pre School, KU Berowra Pre School and Jack and Jill Kindergarten. The home would suit those with a busy lifestyle that love to entertain. Unfortunately, no pets are allowed.
