\$895 per week

Built in 1870, 'St James Cottage' is a freestanding corner brick Victorian that has been impeccably renovated throughout. Offering a highly sought after north-facing living/dining space is complimented by polished timber flooring, a soaring cathedral ceiling, abundance of natural light and also opens onto a generously sized adjoining courtyard, flourishing with greenery with roller door access to the adjacent laneway. Featuring two carpeted double bedrooms, the primary including ample built-in robes, a sparkling modern and well equipped kitchen with stainless steel appliances including dishwasher, a luxurious bathroom complete with laundry facilities. Enjoying a prime location within walking distance to Bay St, South Melbourne Market, the light rail leading to the CBD, Port Melbourne Beach and esteemed local schools. Maison conduct private inspections, please contact our office to arrange an appointment.
