Positioned on a large quarter acre allotment in a sheltered North facing position, this brick veneer home boasts three bedrooms, two bathrooms with dual living zones and a separate designated study. The large allotment provides easy rear yard access to a large open rear yard, with ample room for additional shedding and storage on level ground. The main living zone opens up to a large 42 square meter outdoor decking and entertaining area, taking in ocean views while also providing an additional North facing deck, ideal for soaking up the winter sun. This quality home offers everything you need with the scope to add your own little extras. Arrange your viewing by contacting selling agents today.
