Presenting this substantial three bedroom family home, conveniently located close to schools and sporting facilities in West Bairnsdale. The kitchen has been renovated, and forms part of a spacious open plan dining/family area. Double doors flow through to a north east facing sunroom, and a large formal lounge room completes the picture. Climate control is via a gas heater and reverse cycle air conditioning. Three generous sized bedrooms take care of accommodation, with the main bedroom having its own powder room. A family sized bathroom with separate bath and shower is located just down the central hallway. The house presents extremely well, with high quality carpets and neutral decor throughout.
