Welcome to 16 Aldenham Heights, located in a highly desirable discreet pocket of Halls Head.

This fantastic property has recently received internal and external makeovers to impress. Painted in fresh neutral tones throughout the home, new ducted climate control system and floor coverings are a huge bonus.

Externally, low maintenance Astra turf has been laid to the front and rear gardens, offering all year-round enjoyment without the sweat and tears. Lockup side access to the huge powered workshop with plenty of off street parking, are just a few of the new features this property has to offer.

The house layout has a family in mind, boasting 4 double sized bedrooms, master with ensuite. The heart of the home is open plan living/dining/lounge and play area. There is also a study and a family area for the kids, all under one roof.

Located in Seascapes Halls Head, close to primary and high schools, Seascapes beachfront and amphitheatre, parks, walkways, shopping precincts large and small, no wonder this area is highly coveted. Don't delay in this fast paced market, this home will not only impress but move quickly. To avoid disappointment call me to secure a viewing.
