\$710,000 to \$780,000

Boasting 3 bedrooms and 2 living zones, this solid family home with space for everyone. Now's the time to make your move and take advantage of this golden opportunity. Step inside to discover high ceilings, a modern design and an incredible master bedroom, featuring a walk-in robe and a fully equipped ensuite. Separated from the rest of the home, the family room offers the ability to turn it into a formal living area or a home office. Escape to socialize with friends and family, unwind solo or get some serious business done. The choice is yours! The open living, meals and kitchen area is the heart of the home and where the family comes together. Including Caesar stone kitchen bench tops, 900 mm gas cooktop and stainless steel appliances, and lovely large windows welcoming plenty of natural light, this is where you will spend most of your time with family and friends. Adjacent to the living room and tucked behind a hallway, you'll find 2 additional bedrooms that come fitted with built-in robes. Both bedrooms also have easy access to the well-appointed bathroom, separate toilet and laundry. Keep warm with Gas Ducted heating and have the comfort of a split system air con for those summer days. The low maintenance backyard is fully secured and offers plenty of room for the kids to run and play. The double-car garage features internal access into the home and rear yard for added security, as well as the ability to park an additional car in the driveway.
