Take Your Pick! - Quality built by a reputable local builder and to the highest of standards, these townhouses will make the perfect first home or addition to your investment portfolio. With four to choose from, you will want to get in fast and select the design that best suits your needs!

Some of the features include;

- Open plan design flows beautifully to an outdoor entertaining area
- Main bedrooms all include an ensuite, with either a built in wardrobe or walk in robe
- Bedroom two and three are both generous in size, with ceiling fans and built in wardrobes
- Three of the four have an additional rumpus room, allowing for that extra needed space
- Kitchen features stainless steel appliances, stone bench tops and breakfast bar
- Bathrooms include both bath and separate shower plus quality finishes
- Your choice of single or double lock up garages with internal access
