This lovely well presented 3 bedroom family home has just had fresh renovations with new paint, floors and built-in robes throughout. Ducted air conditioning is a bonus in this home and will keep you comfortable all year round! This home offers large living areas, much larger than you would expect, with a large family room, dining area plus fully enclosed sunroom!! The kitchen, two bathrooms and laundry are all modern and have undergone updates making them a pleasure to use! The kitchen features gas stove cooking, dishwasher, corner pantry and a large fridge space. Both bathrooms have ample storage, with the main featuring a bath. The internal laundry also boasts plenty of storage. Externally both the front and rear yards are fully fenced with a large sliding gate positioned across the driveway. The single lock up garage has remote control access with a single carport positioned in front. The property also features window shutters, gas heating outlet and a patio at the front of the home. This neatly and well presented home is AVAILABLE to move into NOW!!
