Stunning X Display home in Affinity Estate - First Home Buyers, Downsizers and Investors Take Note Now!

This outstanding home is a fantastic opportunity to move in and enjoy the lifestyle in one of Brisbane North's fastest growing suburbs. You will generally appreciate the quality of construction and value for money on offer here.

The designer kitchen is the centre of the living space and is well equipped with plenty of cabinetry space, stone benchtops, island bench and stainless-steel appliances including a dishwasher. Opening onto the open plan lounge and dining space, you will love the large sliding doors which bring the outside in from your undercover tilted entertainment area.

The master suite is positioned at the rear of the home and boasts a spacious design complete with a walk in robe and ensuite. The floor plan has been cleverly thought of with the additional two bedrooms located at the front of the home creating a great sense of separation.

Whether you're just starting out, retiring or with a family with growing youngsters or a savvy investor, this is a fantastic property that represents incredible value for money!
