****Fully Furnished Executive Home with Luxury Furniture Package****Occupying a wonderfully elevated position on a generous double block, this stunning Queenslander has been extended and renovated to meticulous standards whilst retaining its rich, period features. Beautiful, light-filled spaces, spotted gum hardwood timber floors, VJ walls, picture rails and soaring high 3.2m ceilings feature throughout. Entertainers will delight in the open plan lounge and dining that flows seamlessly out to the rear deck, enjoying year-round north-easterly breezes and stunning vistas to the Gateway and beyond. This family-friendly home affords ultimate privacy with its 810sqm block proportions and provides ample space for children at play. A thoughtful renovation now sees a stunning bespoke modern kitchen featuring Caesarstone waterfall benchtop, Miele appliances, two pac cabinetry and soft close draws. The versatile kitchen allows eat-in meals at the island bench, or for meals to be passed out to the rear deck via the cleverly positioned server for an alfresco dining experience. Both the main bathroom and ensuite, designed by an interior designer, boast polished porcelain Italian tiles, Italian tapware, Caesarstone benchtops and a modern, neutral colour scheme.
