\$1,200,000 - \$1,300,000

Comfortable with boundless potential, this neat-as-a-pin home offers many choices for families, developers, and investors alike. Resting on approx. 678sqm of land, an easy walk from Roberts McCubbin Primary School, Gardiners Creek Reserve, Kingswood College, and Box Hill Golf Club, buyers have the option to renovate, lease out, build a new home, or pair of townhouses (STCA). Polished timber floors and warm northerly light enhance the spacious living and dining room, flowing through to a casual meals zone and a well-presented kitchen featuring a breakfast bar and stainless-steel appliances. The private master bedroom enjoys an ensuite and built-in robe, while a home office and two additional robed bedrooms share a central family bathroom. Adding to the allure is its incredible location, the home is zoned for Box Hill High School (zoned), and minutes from Deakin University, bus and tram services, Aqualink Box Hill, the Eastern Freeway, Box Hill Hospital, TAFE and Shopping Centre with express train services to CBD.
