A RARE CLASSIC BEACHFRONT HOUSE

A classic in every way. Very much "high set" Queenslander, built with a modern style and function by a true mater builder.

If you are searching for a Tropical Beachfront Home this is a "must do" inspection.

This property was designed and built for a renowned Australian Artist.

This property comprises a beachfront deck opening into living / dining / kitchen area, all looking out to the Beachfront.

The master bedroom has a beachfront outlook, ensuite and separate toilet.

The second and third bedrooms are identical and adjoin the second bathroom and toilet.

The whole of the ground level is undercover, containing a large car port and laundry plus workspace and tool storage.
