Character in Cummins

Situated on a generous allotment, this three bedroom duck pond stone home offers a unique opportunity.

The home has recently been fully renovated, including a new Colorbond roof, new wiring and plumbing, new electric HW system, new rainwater tank, new flooring and carpets throughout with down lights and a neutral colour palette.

The three bedrooms located at the front of the home are of generous proportions, each boasting ceiling fans and new day/night blinds.

The rear of the home is the expansive open plan living, kitchen and dining area which boasts modern conveniences such as ceramic cooktop, wall oven, dishwasher, ample storage options, plenty of bench space with a breakfast bar, as well as a built in wood combustion fire and split system air conditioner.

A special feature of this property is the large bathroom/laundry located at the rear of the home, showcasing a delightful claw foot bath and a shower with large rain shower head.

The external area of the property offers plenty of space for a growing family, with new fencing and a garden shed. This sold family home presents an opportunity to the buyer looking for the complete package.
