\$195,000

Welcome to this modern home, built in 2016, featuring a contemporary layout and stylish fittings. Upon entering, you are greeted by spacious living area that seamlessly flows to an open-concept kitchen/dining space. To your left, you'll find two medium sized bedrooms. The home is equipped with ceiling fans and split system air conditioning for all-year-around comfort and complimented by tiled flooring for sleek finish. Combined bathroom and laundry area offers convenience and provides direct access to the backyard. The outdoor space includes a patio area great for entertaining, a carport and a garden shed. This home combines modern design with practical living, making it a perfect choice for any investor. The property offers healthy rental return by being currently tenanted through a Property Manager until January 2025.
