With views from one end of the Coast to the other this really is a slice of paradise, the best bit I think is the view from the kitchen sink upto Moreton Bay, you can watch the sun and moon rises out of the Ocean and the Fireworks on New Years... just brilliant!• Three decks to enjoy the fresh mountain air or the views no matter what the season• Light and airy open plan living with timber floors and a wood stove • Great sized entertaining kitchen with huge views north and east, lots of bench space and storage plus an island bench• Three bedrooms, all with robes the master has a walkthrough and a walk in• The ensuite and family bathrooms have both been recently renovated in a tasteful modern country design• The laundry is huge with plenty of storage room and access outdoors to the washing line• Double carport at the front and parking under the home with a sealed driveway to both and a handy workshop/storeroom• Potential to build in more rooms under with plenty of height• Very popular area with easy access to M1, just 1 hour from Brisbane and 45 mins to the Gold Coast Airport• Inside has been painted recently, not to everyone's taste but you can paint over• Beautifully terraced gardens with a Wisteria covered Gazebo perfect lazy long lunches in the summer• Veggie gardens in the front garden • Two huge inground concrete water tanks A great second home, air-bnb, family home or retirement home with potential to be made bigger, this will not stay on the market long, make sure you are there at the open house on Saturday or might just miss out!Disclaimer: We have in preparing this advertisement used our best endeavours to ensure the information contained is true and accurate, but accept no responsibility and disclaim all liability in respect to any errors, omissions, inaccuracies or misstatements that may occur.
