\$650,000 - \$715,000

This charming 3 bedroom home is positioned in one of Frankston's most sought-after locations, offering great potential as a family home, investment property or a great development site (STCA). On a generous sized block of approximately 642sqm with a versatile floorplan and a huge living space the property also features:- Large light-filled living area offering reverse cycle air conditioning & sliding door access to pergola - Sizable kitchen features gas cooking, dishwasher & walk in pantry with adjoining dining/meals area - Well-positioned central bathroom with separate toilet- Master bedroom offering immense robe space & reverse cycle air conditioner - Two other good sized rooms, one with a built in robe - Large fully fenced backyard features a pergola & offers loads of space for the kids & pets- Single lock up garage with extra shed space - 2 X reverse cycle air conditioners Within walking distance to the train station, CBD, beach, Chisholm TAFE, the Peninsula Aquatic Centre and Bayside Shopping Centre. This remarkable opportunity with endless potential to be renovated or redeveloped (STCA) should not be overlooked!
