Remarkable Riverside Views

With magnificent North-East facing views over the Serpentine River & Riverside Gardens Reserve. This freshly presented two storey home is set on a 938m² duplex size block with more than 22m of frontage to the water. Opportunities in this tightly held but highly sought after neighbourhood are rare.... so you'll need to be quick!

Enjoy an open plan family, dining room and adjacent balcony to soak in the amazing water views, the refurbished kitchen also offers views over the large backyard and plenty of storage space. The separate games/lounge room features exposed beams and the home is cleverly designed with well sized bedrooms and views from most areas in the house.

The 938m² block offers a huge amount of space as well as the potential for subdivision, there is plenty of parking for boats or caravans and great opportunities for side access into the backyard if required. The rear of the home enjoys a large patio that overlooks the backyard which is reticulated off a bore and certainly has plenty of room for a swimming pool or larger shed if you wish.
