\$285,000

This property is a definite renovator, but sitting on a double block, 1309m², with two street access, close to town and the jetty, some work now could reap good returns. A cheap option into the property market, upgrade to a rental or weekender, or simply make it a home. Interior photos have not been taken to protect the tenants who are there until the 13th July. 24 hours notice for inspections is also required until then. Give Kerrie a call now, properties in this price bracket are rare as hen's teeth! 0401 575 274.
