Offers over \$799,000

This property is an absolute showstopper! Built by a reputable local builder, this home is crafted to perfection, offering your own private oasis with multiple entertaining zones and a huge showroom kitchen. This truly is a statement home. Enter the home through a private entrance into the stunning front entertaining area. Perfectly positioned at the front of the home, it's the ultimate entertaining zone. The large gas strut servery from the kitchen sets the scene for long lunches, while the sliding stacker doors from the living room provide the perfect indoor-outdoor flow. The open-plan living, dining, and kitchen area is the absolute hero of this home. Cool coastal tones set the scene for tranquillity and style. The kitchen is a masterpiece, featuring a huge 6-metre stone island bench. Storage is abundant with overhead cupboards extending up to the ceiling, a huge walk-in pantry, and extra storage at the front of the island. Stainless steel appliances and luxury extras are at every turn. The dream of a gas strut window servery opening out to the outdoor entertaining area is a reality here. The home features three generously sized bedrooms. The primary bedroom is oversized and includes a large ensuite and walk-in robe, with sliding door access to the rear fully screened outdoor area. The additional two bedrooms feature built-in robes, with the third bedroom also offering sliding door access to the rear outdoor area. A single lock-up garage provides direct access to the home, and additional storage and a large laundry with ample storage and sliding door access outside complete the home. An electric gate provides side access to the home, fully concreted to a large undercover carport with an additional lock-up garage/workshop. Located centrally in Tin Can Bay, the foreshore and local amenities are just a short stroll away. This home truly ticks all the boxes and is ready for new owners to call it home. Contact Clare from Clare Estate Agents to register your interest in a private viewing or to attend one of our open home events.
