ENJOY LAKESIDE LIVING, LAKE VIEWS, JUST 2 MINUTES FROM THE WATER

Enjoy north facing views over Lake Conjola and bushland from this elevated position in the quiet, peaceful hamlet of Conjola Park. Unwind at the end of the day with a beautiful lakeside walk around the Conjola Park waterfront. Lake Conjola opens to the stunning Conjola Beach and the well known surfing break of Green Island and is an amazing unspoilt playground for fishing, swimming, sailing, water skiing, kayaking, bushwalking, surfing and kite sailing.

The renovated two storey home boasts a fabulous entertaining deck, modern bathrooms, a rumpus room and three bedrooms.

This home would suit a young family or make a comfortable holiday home ~ 2 minute walk to the water's edge and lakeside reserve, 7 kms to Conjola Beach, 8 kms to Milton.
