A combination of practical design, tasteful finishes, and quality inclusions are what make this beautifully presented four bedroom, two bathroom residence a spacious and quality family home. Located on an impressive 748m² of land ensures this property really does have something for everyone.

As you enter the home, you are greeted to a light filled front lounge, and open hallway with timber laminate floors which flow seamlessly through the ground level.

The kitchen is simply stunning and showcases Caesarstone benches, a large 900mm free standing stainless steel oven, a gas cooktop, a dishwasher, more than ample cupboard space, and a pantry, easily enough to impress the MasterChef within.

The vast open dining and living areas are filled with natural light, thanks to the multiple windows throughout the residence. The ground floor living zone overlooks the impressive pool area. In addition to the two downstairs living areas, upstairs you'll be greeted by another living zone/retreat.

The remaining three bedrooms are all of good size, inclusive of double built in robes, and serviced by a central bathroom with a bath, vanity, shower, and separate toilet, for convenience. As well as a third-downstair toilet and powder room.

Seamless indoor/outdoor connections and high-end style culminate in a stunning under covered alfresco zone which leads out to the resort style in ground heated swimming pool, and all of this while ample space for the kids to run around remains.

A separate garage with its own separate entry to the additional lock up garage provides the perfect space for the caravan, boat, trailer or any other hobbies you may desire.
