## **Under Offer**

Well positioned home with ocean glimpses to the south and west. Extremely neat and tidy home positioned on a well elevated lot with an outlook across the park to Southgate's and the ocean. All three bedrooms have mirrored built in robes. The entrance leads past the large lounge into the dining/family area and adjoins the kitchen. These areas have direct access to the large rear yard and huge patio area. There is a garden/storage shed and plenty of room for a shed if needed. The carport is to the West side of the home and gates shut it off from the backyard making the yard secure for children and pets. The home is airconditioned. The laundry has a wall of built in cupboards. If you are looking for a well-built home close to the beach, take the time to view this one. Phone Marlene Chaushs to inspect on 0418 471 139
